

## 2007 contest winners and Honor Roll

I am proud to announce that the funds raised by letter carriers for MDA in 2007 show a significant increase from 2006. All the credit goes to the branches and officers who have supported MDA in both word and deed.

Special thanks to the MDA coordinators, who spend a great deal of time and effort in fund-raising. Without all of you taking our commitment seriously to the families we help, nothing would happen.

If any errors are found in the numbers, please contact us as soon as possible so that we can make the necessary corrections. Remember, we cannot get the totals right if the money is not reported to the local MDA representative or if the totals are not tabulated correctly by MDA.

A phone call I received illustrated to me how important our work with MDA is to those we help. A New Jersey carrier learned her daughter was suffering from nail patella syndrome, a rare and debilitating disease. While it is not a disease covered by MDA, my conversation with her made me realize all over again the value of our partnership with MDA. I put her in touch with a foundation that could support her and her daughter, but had it been an MDA-covered illness, I could have done much more. Our prayers go out them.

Let's commit to doing even more this year. Our goal is to raise just a little bit more each passing year until a cure is found. Thanks again for all you do!
