

2009 NALC-MDA honor roll

It hardly seems possible that we are past the quarter mark of 2010. The year just began and we're looking at finishing touches for planning the national convention in Anaheim, the MDA telethon on Labor Day weekend and the NALC national bowlathon scheduled for the first Sunday of November.

Branch leaders and MDA coordinators should be pushing full steam ahead for the events you have planned. Don't forget to start early and make full use of all our members. Every person attending these events should walk away with the knowledge they have helped a good cause.

To that end, I will be focusing in the coming months on letter carrier families who have been helped by MDA.

These stories will clarify why we are a part of the MDA family. What the families share will touch your heart.

But now it is time to honor those who worked so hard in 2009. Make sure your branch is listed and the totals are correct. If not, contact NALC Headquarters. To those branches not listed, *why not?* Can we help you with materials or a vision for why your branch should be involved? We have more than 500 branches participating. Some of our largest branches do nothing. Many smaller branches go beyond their numbers. Please consider getting on the right track with your brothers and sisters!

God bless all of you who, along with MDA, provide help and hope for those in need. ☒
