

NALC delivers for MDA in 2008

Even in the midst of an economic downturn of historic proportions, NALC branches have continued their efforts for the Muscular Dystrophy Association. The following list of heroes worked hard raising funds for "Jerry's kids." More than \$1.4 million! All I can say is, "Thank you!"

I am proud as well to announce the category winners who will accompany me in Las Vegas and represent our union there on the Labor Day weekend telethon. While

these are the best in each category, they are examples of all of you who make such efforts all year.

I know that there may be errors in the list. Please understand we do our very best, but with so many involved, all I can say is to contact NALC Headquarters in the case of any disputes and we'll do what we can to remedy the totals. If we can verify the disputed total, we'll publish the correct amounts in subsequent articles.

Thanks again for all you do!
