

Specialty Pharmacy Drug List

Providing one of the broadest offerings of specialty pharmaceuticals in the industry

If you are a plan member or health care provider, please contact Specialty Customer Care toll-free at 1-800-237-2767 or visit www.cvscaremarkspecialtyrx.com

With nearly 35 years of specialty pharmacy experience, CVS Caremark Specialty Pharmacy provides proactive quality care and service. We have a network of pharmacies which includes those with Joint Commission and URAC accreditation. The Joint Commission and URAC are nationally-recognized symbols of quality which reflects an organization's commitment to meet high standards of quality and safety.

If you are a plan member or health care provider, please contact Specialty Customer Care toll-free at 1-800-237-2767 or visit www.cvscaremarkspecialtyrx.com.

¹ Lowercase type indicates generic name and availability; lowercase type within parentheses indicates trademark generics listed only when no brand is available; products in all capital letters within parentheses indicate brand-names of generic products.

² Multiple dosage formulations and injectable devices are available

³ Call CVS Caremark toll-free at 1-800-237-2767 for specific medications available through CVS Caremark Specialty Pharmacy. Listing is subject to change.

* Indicates Limited Distribution products distributed by CVS Caremark Specialty Pharmacy. Limited Distribution defined as less than 15 pharmacy providers.

[†] Therapy class or product is part of CVS Caremark's Specialty Select offering.

Products distributed by CVS Caremark Specialty Pharmacy, as well as products covered by a plan member's prescription benefit plan, may change from time to time. In addition, a plan member's specific prescription benefit plan design may not cover certain products or categories, regardless of their appearance on this document at any time.
