The Postal Employees' Relief Fund (PERF) is a 501 (c) (3)
charitable organization operated by the various
management and union organizations of the
U.S. Postal Service® to benefit postal employees.

Assisting postal
employees and
retirees who are
victims of natural
disasters and fires

CFC #10268

The Postal Employees' Relief Fund (PERF) is a tax-exempt charitable organization that provides relief assistance to qualified active and retired postal employees who are victims of major natural disasters and fires.

The presidents of each of the participating unions and management associations, together with the Postmaster General, serve as Grantors of the Trust with the authority to appoint the members of the Executive Committee. The Executive Committee directs the operations of the Fund, including the certification of disasters qualifying eligible individuals for assistance, reviewing requests for assistance, and authorizing grants for approved requests.

The Fund was created in 1990 to assist postal employees affected by Hurricane Hugo and the California earthquake, and to provide a permanent process to assist postal employees who become victims of a major natural disaster.

To date, the Fund has provided more than **3,000 grants** totaling nearly **\$15 million** to active and retired postal employees impacted by hurricanes, typhoons, earthquakes, floods, tornadoes, wildfires and home fires.

PERF receives the vast majority of contributions through payroll deductions authorized by postal employees and other federal employees during the annual Combined Federal Campaign. PERF is designated as a National Independent

Hurricane Katrina, Biloxi, MS

Organization, and as such part of CFC campaigns throughout the nation. It also receives group and individual donations by check or money order sent directly to the Fund and by credit card via the Fund's Web site.

To keep administrative operating costs to a minimum, the Fund conducts all of its business with one full-time executive secretary and volunteer assistance from the affiliated unions and management groups. No compensation is paid to any Grantor or Executive Committee member, thereby allowing nearly all of the contributions to be used as grants to postal employees and retirees impacted by natural disasters and fires.

If you are eligible through the CFC, you may pledge a tax-deductible donation to PERF by selecting Agency **#10268 — Postal Employees' Relief Fund** during the nationwide solicitation period. In addition, you may send an individual or group donation at any time to PERF or go to the Web site to make an immediate credit card donation.

The Postal Employees' Relief Fund is a 501 (C) 3 Charitable Organization. Contributions are tax-deductible.
