Dear NALC Members, Officers and Retirees:

Much time has passed since the creation of the original NALC Insignia Collection. Now, after listening to your comments and following your suggestions I am proud to present to you this refreshing new offering of quality Union Made products and wearables.

We have given particular attention to include items that can be displayed proudly by both the Brothers and Sisters of this great Union. You will find attractive apparel, jewelry accessories and gifts suitable for all occasions.

Please understand that some items have been discontinued in order to accommodate many new products. Also, the revised price list and order form features many items that are not pictured in the full-color catalog brochure.

It has been my pleasure to refine the official NALC Insignia Collection for you. I am confident you will find that the products meet the highest standard of union quality that you deserve and have every right to expect. I look forward to your continued comments and suggestions in building upon this program of pride.

As always, I remain

Yours in Union Solidarity,
