To UNI member unions,

The eastern part of Japan has been afflicted by big earthquakes and tsunami followed by them on the afternoon of March 11. We still have aftershocks across the Eastern Japan. I would like to inform you the updated situations of postal services as follows:

- ✓ As for the post office company, 52 workers have been missing, and 77 post offices are damaged.
- ✓ Concerning the mail delivery company, 10 branches have been damaged.
- ✓ About Kampo Inns, 34 members have lost contact since then.
- ✓ We have lost contact with 16 workers including part-timers.
- ✓ As for the Post Bank, its 28 facilities have not been recovered. At the same time, we have lost contact with one personnel since then.
- ✓ About Kampo Life Insurance Company, three facilities have not recovered from damages.

I will let you know the updated information later.

Best regards.
