

# Creative, fun fund-raising

**F**rom something as simple as passing a hat at a branch meeting to holding a poker tournament or pie-toss, carriers can be innovative in ways to drum up support for the Committee on Letter Carrier Political Education.

Over the years, your *Postal Record* has printed many photos of letter carriers gathering as friends for COLCPE fund-raisers. Branch COLCPE coordinators across the country continue to share ideas both simple and extravagant in the ongoing effort to remind members that giving to their union's political fund helps preserve the letter carrier way of life—the pay, benefits and working conditions we and our families enjoy.

This section lists donations received from groups in 2008. Also included are contributions from NALC Auxiliary members and from local auxiliaries.

*Note: Under federal law, special record-keeping regulations cover how money raised by groups must be submitted to COLCPE. For example, no personal or branch checks are permitted. Also, money from group collections must be sent directly to the Committee on Letter Carrier Political Education at National Headquarters in Washington by money order or cashier's check within 30 days of receipt, along with the date of the collection and a description of the event.*
