

MDA Honor Roll

President William Young and I are happy to announce that the NALC 2005 muscular dystrophy campaign contributed **\$1,221,107** toward finding a cure for neuromuscular diseases. Research has contributed to many breakthroughs but the ravages of this disease have not been eradicated; therefore, we will continue to support this cause with different fundraising activities and devotion.

This NALC Honor Roll is compiled by the Muscular Dystrophy Association. If your records and the information provided are not in agreement, please contact: *Thomas Boyle, Director of Program Development, Muscular Dystrophy Association National Headquarters, 3300 E. Sunrise Drive, Tucson, Arizona 85718; 520-529-5315*, advising him of the discrepancies.

Check your records immediately and report all discrepancies directly to MDA Headquarters. Thomas Boyle's office will notify us of the discrepancy and the changes will

be published in a future issue of *The Postal Record*.

First and second place winners of the 2005 NALC/MDA Campaign Contest will be selected and notified later. The winners will be selected from five categories according to branch size and the amount of money reported. There will be one winner from our special category, which is the auxiliary.
