

## Executive Council meets to discuss arbitration decision

**M**embers of the NALC Executive Council traveled to NALC Headquarters in Washington, DC, on Jan. 22 for discussions on the national arbitration award issued on Jan. 10 that sets the terms for the 2011-2016 National Agreement. Meetings were held by members of the Executive Council with the leadership of the Postal Service as the parties work through the implementation of the Das award. In addition, the Executive Council had further discussion on the arbitration award. While the Das award was the main focus of the week's meetings, the Council also discussed other timely issues, including legislation and the upcoming rap session (*see story, page 6*). **PR**
