

2012 Honor Roll

Jim Williams

Each year, NALC publishes the results of the prior calendar year, listing all branches that have worked to raise money for the Muscular Dystrophy Association. The following are the totals reported to us by MDA. This year, though, we took an additional step by sending the initial amounts listed by MDA to our national business agents, who

have verified the totals as well. It is our hope and expectation that no errors exist.

President Rolando and I want to express our appreciation for all you do for MDA. The branches listed below have joined the shared vision NALC set out to realize in 1952 and every year thereafter. If your branch is missing, perhaps it is time you contacted your branch leadership and volunteered to be the MDA coordinator. We could use your help! Again, thanks to every person who contributed or conducted an event in 2012.
