

Thank you

Assistant to the President for Community Services
Christina Vela Davidson

After two of the most horrific years of our lives, we are blessed to have made it to where we are today. We may not be back to where we were pre-pandemic, but we continue to move forward and work hard for the health and well-being of our members, volunteers, employees and customers. Our accomplishments have shown us that we can adapt and remain strong.

As leaders of this great union, we must be there for our members.

One of the ways in which we do this is community service. By giving back, we strengthen our union and we benefit all those we represent. While we recognize that letter carrier assistance is a critical need for many, especially during difficult times, it also is of the utmost importance that we continue to try to minimize the risks as much as possible.

I want to say thank you to all. Thank you for giving to your NALC Disaster Relief Foundation. Thank you for giving to the Muscular Dystrophy Association and for donating to and working the Stamp Out Hunger Food Drive. Thank you, veterans, for joining the Veterans

Group. Thank you for being heroes and watching over your community; you are the eyes and ears of your communities and your routes. We have overcome so much together, but it did not stunt our growth. Together, we will continue to create new ways to help those in need.

Sisters and brothers, we are strong and we make a difference. Unions are measured by how they represent their members and how the public views them. That is why USPS is voted Americans' most-trusted federal agency year after year—because your sisters and brothers continue to demonstrate an outstanding commitment to the public and your customers.

Just a reminder: With so many disasters affecting our members, contributions to the foundation are as important as ever. Knowing that you contribute to something that directly aids you and your fellow members in a time of crisis is extremely rewarding. Donations should be sent to: NALC Disaster Relief Foundation, 100 Indiana Ave. NW, Washington, DC 20001-2144. The foundation is a 501(c)(3) non-profit organization, and your contribution may be tax deductible. It is recommended that you seek further advice from your tax advisor. If you have any questions, you can contact me at disasterrelieffoundation@nalc.org.

Thank you, brothers and sisters. Please stay safe, and God bless you and your families. To me, you all are heroes.

NALC film wins Telly Awards

The documentary film “The Revolt of the Good Guys,” which premiered at the 72nd Biennial Convention in Chicago in August of 2022, has won six Telly Awards.

The Telly Awards are considered the premier awards honoring local, regional and cable TV commercials and programs, as well as video and film productions. “The Revolt of the Good Guys,” which told the story of the Great Postal Strike of 1970 from the preexisting conditions facing letter carriers to when the labor action ignited in New York City, before spreading to other regions and threatening

to stop the mail nationwide, won one gold and five silver Tellys.

The 85-minute documentary created by Sutherland Media Productions of Washington, DC, won a gold in the history category and silvers for editing, writing, long-form documentaries, education and training, and general information.

The Tellys are a juried competition, and entries are judged on their merit, not against other entries. “The Revolt of the Good Guys” was among 13,000 entries in 2022.

“The story of the Great Postal Strike still stirs us, and ‘The Revolt of the Good Guys’ reminds us of how im-

News

portant it was to the history of NALC, the labor movement and the Postal Service,” NALC President Brian L. Renfro said. “Congratulations to Ann Sutherland, everyone at Sutherland Media, and the NALC letter carriers and professional staff who worked on this video for these well-deserved awards.”

The film can be viewed on NALC’s YouTube channel; the direct link is youtube.com/watch?v=fZ4Bll8p7mY&t=3s. **PR**
