

2016 MDA Honor Roll

The annual MDA Honor Roll recognizes branches for their fundraising activities in 2016. In addition to being cited in *The Postal Record*, the branches that take the top spot in each of 10 membership size categories, and the Grand Prize winning branch (which has the highest per capita), are celebrated by an opportunity to attend a special function designated by NALC President Fredric Rolando.

Following that is the list of all branches that NALC is aware of having made a contribution. Next to the branch name is the gold/silver/bronze ranking (based on per capita) and the total raised by the branch.

The total for 2016 was \$1,291,030. "I congratulate every branch that helped in this effort," Rolando said.

In the list below, other NALC groups, including the NALC Auxiliary, are located at the end of the Honor Roll.

Note: If you do not see your branch listed, or the amount is inaccurate, please contact NALC MDA Coordinator Geneva Kubal at mda@nalc.org or 202-756-7403 as soon as possible.
