Mr. Fredric V. Rolando
President, National Association of Letter Carriers
100 Indiana Avenue NW
Washington, DC 20001-2144

Dear Fred:

The National Rural Letter Carriers' Association proudly continues its support of the National Association of Letter Carriers (NALC) annual Food Drive. On this day, postal workers from all across the nation band together in the constant fight against deprivation and hunger.

In 2015, the rural letter carriers of America assisted in collecting and distributing 379,586 pounds of donations to otherwise overlooked corners of the United States. These donations helped to directly restock food banks, pantries, and shelters within the local communities in which they were collected.

Now in its 24th year, this effort has become the largest one-day food drive in the nation. When you consider that each bag of donations represents a meal for a family in need, it quickly becomes clear how such a small act of charity on the part of one person can resonate so profoundly in the communities in which we work and live.

Fred, the National Rural Letter Carriers' Association is proud to align ourselves with such a noble and distinguished cause. I thank you and your members personally for championing the fight against hunger in America. I look forward to working with you in order to "Stamp Out Hunger" in 2016.

Sincerely and fraternally,

Jeanette P. Dwyer
President

National Rural Letter Carriers' Association
