

DAVID P. STEINER
POSTMASTER GENERAL, CEO

February 9, 2026

Mr. Brian L. Renfroe
President, National Association
of Letter Carriers, NALC
100 Indiana Avenue, NW
Washington, DC 20001-2144

Dear Mr. Renfroe:

The United States Postal Service is honored to support the National Association of Letter Carriers' 2026 Stamp Out Hunger Food Drive.

Grocery prices are rising, and many of our customers are experiencing real hardship. Food banks need our assistance more than ever. When letter carriers and other USPS employees partner with communities to supply nearby pantries, we help ease the burden for both.

Stamp Out Hunger is also well-timed. Coming as it does on the second Saturday in May, it enables communities to provide essential support to millions who experience food shortages when school lunch programs are unavailable.

USPS is pleased to have been a part of last year's successful effort, which collected 48 million pounds of food — an increase of more than 4 million pounds from 2024.

This year, on Saturday, May 9, our city and rural carriers, national partners and countless volunteers will gather food donations across 10,000 cities and towns in all 50 states, the District of Columbia, Puerto Rico, the Virgin Islands, and Guam as we work together to combat hunger in America.

I heartily encourage Postal Service employees nationwide to distribute postcards and promotional bags ahead of the drive and to collect donations on May 9.

Let's work together to make the 34th drive the most successful yet as we strive to stock food banks and pantries and help stamp out hunger.

Sincerely,

A handwritten signature in blue ink that reads "David P. Steiner".

David Steiner
