Dear Representative:

On behalf of the Federal-Postal Coalition, an alliance of thirty organizations representing over five million active and retired federal and postal employees, we urge you to vote “yes” on the bipartisan “Middle Class Health Benefits Tax Repeal Act” (H.R. 748). This pro middle-class bill would repeal the 40-percentage tax on perceived high-cost health benefits and make health care more affordable.

The Federal-Postal Coalition is specifically concerned that this tax will lead to reduced health benefits and increased medical expenses for federal government and postal employees and retirees. In addition, guidance by the Office of Personnel Management (OPM) to health insurers in Federal Employees Health Benefits (FEHB) program, stated: “To remain competitive, it is imperative for Plans to avoid this additional cost (FEHB Program Carrier Letter No. 2018-05). Furthermore, OPM states, “FEHB carriers should continue with development of respective contingency plans in preparation for the excise tax” (FEHB Program Carrier Letter No. 2018-01). It is expected that these plans would reduce their costs by hollowing out health benefits and raising copays, coinsurance, and deductibles. This is no way to treat dedicated public servants who go to work every day to keep our nation running.

The impending implementation of this tax has been encouraging employers and insurance companies to reduce health benefits in both the private and public sectors. This harmful tax is increasing health care coinsurance, copays, and deductibles, and worsens the health care affordability crisis afflicting not only the federal and postal employees and retirees we represent, but many across the country. This tax should have been repealed long ago.

The Federal-Postal Coalition hopes that you will vote “yes” to approve H.R. 748 and permanently repeal this harmful 40-percentage tax. Should you have any questions or concerns, please contact Federal-Postal Coalition Chair Kori Blalock Keller at [kbkeller@nalc.org](mailto:kbkeller@nalc.org).

Sincerely,

Kori Blalock Keller  
Chair, Federal-Postal Coalition
