**IMMEDIATE ANNUITY**

A perfect option for retirees.  
Guaranteed income starting immediately!  
Helps you provide a safe and comfortable retirement.
An annuity plan that pays you immediately!

The benefits of an immediate annuity:

- You know how much money you will receive in each payment for the rest of your life.
- You alleviate the stress of outliving investment income.
- There is no need to make investment decisions.

The U.S. Letter Carriers Mutual Benefit Association is a non-profit fraternal association who provides competitive interest rates.

Payout amounts are based on the annuitant’s age at the time of the contract, the amount of the premium, the payout method chosen, and our current rates.

The minimum premium payment is $25,000.

Note: Not FDIC insured, not guaranteed by any federal government agency.

Joint Life Annuity – equal payments made for the life of the annuitant. Upon the annuitant’s death, payments will be made to the beneficiary for the rest of their life.

Full cash refund – equal payments made for the life of the annuitant; if the annuitant dies before the sum of the payments exceeds the single premium, the remaining fund value is paid to the beneficiary in a lump sum.

An immediate annuity is an annuity contract that is purchased with a single lump-sum premium that, in exchange, pays a guaranteed income for life that starts immediately.

It provides for a safe and comfortable retirement and can be an important part of a retirement portfolio.

There are several options available to receive funds:

- Single Life Annuity – equal payments made for the life of the annuitant.
- Joint Life Annuity with a Guaranteed Payment Period – equal payments made for the life of the annuitant, with payments guaranteed for 5, 10, 15, or 20 years.
- Full cash refund – equal payments made for the life of the annuitant; if the annuitant dies before the sum of the payments exceeds the single premium, the remaining fund value is paid to the beneficiary in a lump sum.
