Who needs life insurance?

If you have children...

Help your children live the life you have planned for them—even if you're not around. Your MBA Whole Life policy can help pay off your mortgage and buy your children the things they need. You can even use your policy to contribute to their college expenses.

If you're married...

Your MBA Whole Life policy will protect your spouse, your children, your home and your dreams. Even if you're in a two-income family, both you and your spouse should consider how the loss of one income could disrupt your family's future.

If you're single...

You still may have people depending on you: your parents, a niece or nephew, a charitable organization. And there's a chance that more people will depend on you in the future. MBA Whole Life will ensure that your support continues as long as it's needed. And, of course, you can use the cash value of your policy to supplement your retirement.
