NACL grows support for USPS Fairness Act

The USPS Fairness Act (H.R. 1) would repeal the postal work rules for USPS for the last three decades with one healthy benefit addition for the letter carriers. The Act penalizes the public for the postal reforms we had to make due to the changes in the way people shop and receive their mail. Since its enactment, Congress has received thousands of comments urging support for the USPS Fairness Act.

The USPS Fairness Act has 176 cosponsors, with support growing each day. The USPS Fairness Act is the final step in making the postal work rules fair for the letter carriers.

If you have not yet contacted your Members of Congress, please do so. The USPS Fairness Act has to move quickly to avoid the start of the two-week-long recess that begins May 23rd. The USPS Fairness Act is a priority for the letter carriers and the entire postal workforce.

The USPS Fairness Act allows carriers to work from the date they signed on to be a leader in the union and eliminates some of the penalties that some carriers face. The USPS Fairness Act also eliminates some of the penalties that some carriers face. The USPS Fairness Act also eliminates having to work on some work rules.
