Establishment of a positive work environment/culture where everyone is treated with dignity and respect

The repeal of the mandate that the Postal Service pre-fund decades' worth of health benefits for its future employees

A reform of the Federal Employees Health Benefits (FEHB) Program to maximize participation in Medicare

Absence, and a COVID-19 Emergency Federal Employee Leave (EFEL) Employee Notification and Leave Request Form,

He retired in 2020. Prior to joining USPS, Stroman worked on Capitol Hill, serving the House's Committee on Oversight and Government Reform (HSGAC) Chairman Gary Peters (D-MI) and Ranking Member Rob Portman (R-OH), who focused on postal annuitants who do not need Medicare because of coverage by Veterans Affairs or by another non-FEHB program.

Special protections would be required to enroll in either Medicare Part A or Part B. All active employees under the age of 64 (as of Jan. 1, 2021) in the fee-for-service Medicare program will be eligible to enroll in Medicare Part A (hospital insurance) at no cost and Medicare Part B (medical insurance) with no deductible or coinsurance.

The effect of the legislation on federal on-budget payments for health insurance premiums in the FEHB program.

The White House releases the American Families Plan

As it relates to letter carriers, the plan calls for a new national program providing paid family and medical leave to eligible federal employees, including Postal Service workers.

On April 8, 2021, the House of Representatives rounded a corner and approved HR-1832, the American Families Plan. The bill is designed to provide all federal employees an opportunity to enroll in Medicare during a single open enrollment period.

The leaders of both parties in both chambers of Congress have expressed support for the new Medicare legislation and indicated that they are ready to move quickly to pass the legislation. The legislation was introduced by House Speaker Nancy Pelosi (D-CA) and Senate Majority Leader Chuck Schumer (D-NY). The legislation would require employers to offer employees the option to enroll in Medicare Part A and Part B during a single open enrollment period.

The White House proposes funding the American Families Plan with tax increases for high-income Americans

Battling misinformation

President Joe Biden has signed into law the American Rescue Plan Act of 2021, which provides $1.9 trillion in aid to households, small businesses, industries heavily impacted by the COVID-19 pandemic, and state and local governments. The legislation includes a number of provisions that would benefit the Postal Service.

The American Rescue Plan Act of 2021 contained a number of provisions that would benefit the Postal Service. The legislation included provisions that would allow the Postal Service to negotiate a new contract with the National Association of Letter Carriers (NALC) and the National Fallen Letter Carrier Foundation.

On April 15, the parties agreed to conduct the pilot program with the signing of MOU RE: New Employee Experiences. In particular, the MOU stated that the pilot program would begin on April 15, 2021, and that the pilot program would be conducted for a period of 12 weeks.

The pilot program was designed to test a number of new ideas for improving the work environment for letter carriers and to determine whether the pilot program could be scaled up to a national program.

Paid family and medical leave bill introduced in Senate

On April 8, Sen. Tammy Duckworth (D-IL) introduced the Competition Fairness Act, S. 2482, which would require employers to provide paid family and medical leave to eligible federal employees, including Postal Service workers.

The NALC Disaster Relief Foundation reflects the will of the members, who have asked for a way to help others in need.

The NALC Disaster Relief Foundation was established on July 10, 2010, to provide relief to the members and their families in cases of need. The foundation was established to provide a mechanism for donations, supplies and other assistance so that carriers who are affected by a natural disaster can receive the assistance they need.
