Challenges

Let’s begin by singling challenges facing us in the recent past and present. We are by no means the only one affected, as we serve the needs of the nation’s workers, and we are not immune to the economic pressures that are affecting our members. We have been working on a number of fronts to address these challenges:

1. Protecting letter carriers from violence: In recent years, we have seen an increase in violent attacks on letter carriers. This trend is concerning, and we must continue to work with local authorities to ensure the safety of our members.

2. Protecting letter carriers from workplace stress: This year, we have focused on addressing workplace stress and burnout. We have initiated a number of programs to support our members, including mental health resources and wellness programs.
