**Minneapolis letter carriers declare, ‘Enough is enough!’**

“Me and my guys,” said Brian L. Renfroe, Branch President of NALC Branch 24-1, which represents letter carriers in Minneapolis. "We have had enough. We can’t keep living like this. We are tired of it. We need change."

**Stay safe in winter weather**

O’Connor, the acting President of NALC, said that letter carriers must take steps to ensure their safety in winter weather. "Cold weather conditions can be dangerous if you don’t take the necessary precautions," he said.
