

USPS Cyber Intrusion and Employee Data Compromise Posting Schedule for Blue, LiteBlue and USPS.com Monday, Nov. 10

Modifications to the Blue home page, LiteBlue home page and usps.com have been created and placed in staging areas.

Blue home page (blue.usps.gov) - This modification will go live at 11 a.m. EST, Nov. 10

A new box titled: **“!! Important Employee Information !!”** will be positioned above the *Essential Links* box in the left column. The box will link to a landing page containing links to:

- Employee video.
- Employee standup talks.
- Employee handout
- Employee FAQs

The box at top center of the Blue page will feature a ***Link Extra*** article describing the event. The *USPS-TV* slide carousel on the Blue page will feature the PMG's message to employees. The top link on the Blue HR home page will have an **“!! Important Employee Information !!”** link to the employee video, standup talk, employee handout and employee FAQs.

LiteBlue home page (liteblue.usps.gov) - This modification will go live at 11:30 a.m. EST, Nov. 10

A new box titled: **“!! Important Employee Information !!”** will be positioned above the *Hot Topics* box in the left column.

The box will link to a landing page containing links to:

- Employee video
- Employee standup talk
- Employee handout
- Employee FAQs

usps.com

This modification will go live at 12:30 p.m. EST, Nov. 10

A landing page has been created and staged. Links to the page will be placed on the **Alert Bar on the home page of usps.com**, the **About USPS home page** and the **USPS Newsroom**.

The landing page will contain:

- Media statement.
- FAQs
