

New Members Only Portal

Login Screen

The new login screen will allow users to join either with a User ID they create or identifying facts from the NALC membership database.

Problems Logging in?
If you are unable to log in, contact the NALC Membership Department at (202)393-4695 to help us determine the source of the problem.

Activation Process

When a member attempts to sign in the new Members Only Portal for the first time, they will see this screen. They will need to choose three new security questions and answers. Their current password from the current MOPs will be populated in the password field, but they can choose to change it if they wish. The new MOPS includes encryption on the password field. NALC staff will not be able to tell members their password. Instead, members will be able to reset their password from the login screen.
