

## Getting together and giving

**L**etter carriers know a thing or two about the power of working together toward a common goal. From the NALC's first organizing convention in 1889 to our annual national food drive to our bowlathons and other fund-raising activities for the Muscular Dystrophy Association, we can see the power that comes when we join forces to reach a common goal.

It's the same for our support of COLCPE. When we hold a car wash or poker night, when we pass a hat at a branch meeting or state convention, or when one branch challenges another to a fund-raising contest, we show how truly effective we can be when we pull together.

This section of *The Postal Record's* special COLCPE issue highlights group donations

received in 2009 and, separately, those from NALC Auxiliary members. The Auxiliary has promoted the letter carrier cause since its founding more than a century ago, and it has been a steady supporter of COLCPE since the fund was created in 1975.

These group contributions are listed in the order in which they were received, unless otherwise specified.

**Note:** Under federal law, special record-keeping regulations cover how money raised by groups must be submitted to COLCPE. No personal or branch checks are permitted. Money from group collections must be sent to COLCPE at National Headquarters by money order or cashier's check, along with the date of the collection and a description of the event.
