

Automatic
dependable
reliable

The Gimme 5 (or more) crowd

We begin our annual tribute to COLCPE contributors with a listing of those who gave to the fund last year automatically, through payroll allotment, annuity deduction, or electronic fund transfer from a bank account.

These dependable donations, especially those made at the “Gimme 5” level of \$5 per pay period or higher, make it easier to make wise budgeting decisions about how we spend COLCPE dollars—from the contributions we make to the election (or re-election) campaigns of our friends in Congress to the support we can provide get-out-the-vote efforts, such as precinct walks and phone banks.

COLCPE (*pronounced COLE-sep*) even pays for those signature blue Carrier Corps shirts political activists wear during off-the-clock political

activities, the shirts that will continue to serve as powerful, visual reminders to candidates in this election year that letter carriers mean business when it comes to protecting the middle class way of life that the labor movement fought to create.

This automatic contributors list is organized like this: States are listed alphabetically. Within each state, branches are listed numerically. Then, within each branch, contributors are listed alphabetically by last name. Members who make both automatic contributions and separate, occasional donations will find their names listed only in this section, although the listing will reflect their total contributions during 2009.

If your name is not on this list, find out how you can make the cut in next year’s issue by following the instructions printed on pages 39-42 of this magazine to begin making automatic contributions.
