

# Travel easier with Union Plus

**T**he Memorial Day weekend marks the start of the summer travel season, and Union Plus stands ready to help us save money on our much-deserved vacation getaways.

Because we belong to the NALC, we have access to these and many other Union Plus benefits courtesy of Union Privilege, the AFL-CIO initiative that has worked for nearly 25 years to use the combined buying power of millions of union members to purchase top-quality products and services at reduced prices. Oftentimes, these Union Plus advantages are extended to our family members as well.

**Rental car discounts:** No matter what kind of vehicle you need during your vacation, your membership in NALC can help you save up to 25 percent on rental cars or trucks that are American-made, environmentally and budget friendly, stylish and comfortable, all while supporting our fellow union members who work for the Avis, Budget and Hertz car rental companies.

Ordering a rental car in advance also means you'll pay less than you would at the rental counter—and, for a few dollars more, you can upgrade to a better vehicle and still get the best deal possible.

- ▶ **Avis:** 800-698-5685—reference union I.D. No. B723700
- ▶ **Budget:** 800-455-2848—reference union I.D. No. V816100
- ▶ **Hertz:** 800-654-2200—reference union I.D. No. 205666

Also, if you use your Union Plus Credit Card when you make your reservations through Avis or Budget, you'll automatically get the discount car rental rates. (See the March Postal Record for more on other advantages of carrying the Union Plus Credit Card.)

Union Plus rental car discounts are available to spouses, domestic partners, widows/widowers and children of union members in participating locations in

the U.S. (except Guam, Puerto Rico and the Virgin Islands) and Canada.

*Note:* Discount rental car rates and savings vary depending on the type of car or vehicle, time of year, location and length of car rental reservation.

**Theme park discounts:** Relax and enjoy the thrill and excitement at some of the best theme parks across America with Union Plus entertainment discounts, provided by Working Advantage.

Choose from some of the most popular theme parks in the U.S.—including Universal Studios, Sea World, Busch Gardens and Six Flags—where you can save up to \$26 per ticket off the normal theme park admission prices. And if you're planning on having your family with you while you participate in the 67th Biennial NALC Convention in Anaheim, you can save some money on many of Disney's California attractions as well.

Other participating parks include Adventure Island, Disney World, Hershey Park, Legoland and Sesame Place. Discount admission is also available at many seasonal theme and water parks. Plus, most theme park tickets are valid for one year (or the current season) and can be used anytime.

Go to [workingadvantage.com](http://workingadvantage.com)—click "Entertainment," then scroll down to the section marked "Theme Parks." You'll also see that the Working Advantage website lists dozens of other discounts on attractions, shows, movies and more.

And if you ever need any help with these or other Union Plus programs, simply call 800-472-2005 weekdays from 8:30 a.m. to 4:30 p.m. Eastern Time, or go to [unionplus.org/](http://unionplus.org/) customer. ✉
