

Automatic contributions are the backbone of NALC's defense

In this seventh annual Committee on Letter Carrier Political Education (COLCPE) issue of *The Postal Record*, we honor those letter carriers, active and retired, and Auxiliary members who make NALC's essential legislative and political activities possible. These generous supporters gave COLCPE the resources it needs to help labor-friendly candidates for Congress make it to Washington, DC.

We have listed these 2010 contributors to COLCPE in three categories. The list that begins on this page shows contributors who give through automatic deductions from their paychecks or through electronic funds transfer (EFT) from their bank accounts. Retirees also give automatic donations by arranging for deductions from their annuities or through EFT.

The list includes "Gimme 5 for COLCPE" participants—a steadily growing group of contribu-

tors who form the backbone of COLCPE's fundraising efforts. Automatic deductions provide a solid, reliable source of funds that allows the NALC to budget its resources wisely. Donors are listed alphabetically by state, then numerically by branch, then alphabetically by last name.

The list on page 77 shows one-time or occasional contributors who gave directly by writing a check to COLCPE.

The third list, on page 86, shows group donations—the total collected and given to COLCPE at meetings or special events where members "pass the hat" and send in a single group donation. This includes donations from Auxiliary members.

This special issue is our way of saying "thank you" to the thousands of active letter carriers, retirees and Auxiliary members who help us stand up for the rights of workers in Congress and who help make a better future for the next generation of letter carriers.

Is it worth

a few dollars a month

to **safeguard** *the future of letter carrier*

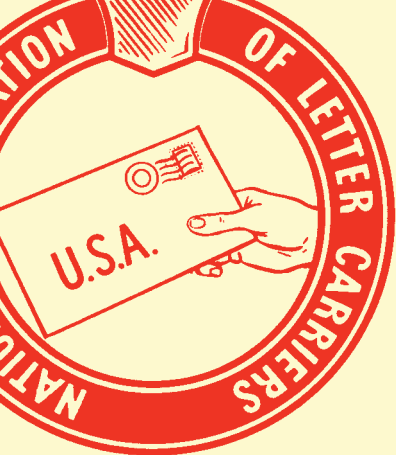

jobs and benefits?

Your regular contributions to COLCPE help NALC protect our jobs and benefits, and carry on the fight for the future of the USPS. As NALC's non-partisan political action fund, COLCPE helps elect candidates who support letter carriers. And by strengthening NALC's voice in Congress, COLCPE gives us security we can count on.

Turn the page to learn how to donate to COLCPE automatically from your

Active letter carriers: Contribute to **COLCPE** using **PostalEASE**

by phone.....

Letter carriers can contribute directly to COLCPE (NALC's Committee on Letter Carrier Political Education) from their paychecks every pay period using the Postal Service's PostalEASE. Through PostalEASE you can designate COLCPE as one of your three* payroll "allotments."

- 1** Be sure you know your 8-digit Employee ID Number (on your paystub) and 4-digit USPS Personal Identification Number (PIN). If you cannot remember your PIN, call PostalEASE at 1-877-4PS-EASE (1-877-477-3273), select "1", enter your 8-digit employee ID number, and select "2" to have your PIN mailed to you.
- 2** Create your own *Account Number* by inserting in the spaces at right the first *seven* digits of the ID number that appears above your name on the back cover of your *Postal Record*.

By making a COLCPE allotment through PostalEASE, you are doing so voluntarily with the understanding that your monthly contribution is not a condition of membership in the National Association of Letter Carriers or of employment by the Postal Service, nor is it a part of union dues. You may refuse to contribute without any reprisal. COLCPE will use the money it receives to contribute to candidates for federal office and undertake other political spending as permitted by law. Your selection shall remain in full force and effect until cancelled through the PostalEASE system. Only NALC members, NALC executive and administrative staff, and their immediate household family members may contribute to COLCPE.
