

2011 NALC Honor Roll

Each year, NALC recognizes branches that achieve excellence in raising funds for the Muscular Dystrophy Association. Since 1952, we have worked to help MDA provide help and hope to those afflicted with any of the more than 40 neuromuscular diseases covered by the MDA umbrella.

I want to thank those branches that worked so hard to raise money for our national charity. Last year we raised more than \$1.7 million, which will go toward research and care.

For those who won their respective categories, representatives from each will join NALC President Fred

Rolando in Tucson, AZ, to tour the national headquarters of MDA and take part in some exciting events there. We are planning now for that visit.

You might recall that the national telethon during Labor Day weekend will not be a live event, so President Rolando has decided to take the winners to see what MDA does on a daily basis. I think it will be a nice change and provide the category winners with a bird's-eye view of why they work so hard. The vision they will be given will help in answering questions about MDA's mission.

Again, congratulations to all branches that participated in 2011!
