

# Season's greetings

As this year draws to a close, we are reminded of the challenges we have faced and the rewards we have reaped by working together. During this joyful holiday season, we extend our thanks and our best wishes to you, our brother and sister letter carriers, and your families.

May you enjoy all the benefits of peace and liberty, and the advantages of the special strength that flows from solidarity. As we celebrate in our different ways, let us strive to do what we can to help those who are less fortunate than ourselves. May the power of our shared belief in justice spread across the land and generate peace and prosperity in our world.
