

### Each donation matters

**L**ike writing and mailing a letter, writing and sending a check to COLCPE just feels better for some donors. This section lists supporters who gave one-time donations to the political action fund that were recorded in 2014.

Some of these donors were inspired to give to COLCPE at a branch meeting or state convention. Others gave when a

branch leader asked. Some simply sent a donation when they saw a news story about attacks on collective-bargaining rights or the Postal Service in Congress. Whatever their motivation, these generous donors are an important part of COLCPE's donor base.

As with all donations, the amount isn't important—it's the participation that matters. After all, imagine the results if

every letter carrier gave even a modest donation to COLCPE.

Donors who made one-time donations in additions to automatic donations through payroll deduction or deduction from an annuity or bank account are not shown here. They are listed, along with their donation totals, in the automatic donation section beginning on page 20.
