2014 Honor Roll

Jim Williams

very year, NALC honors those branches that deserve special recognition. I want to thank all branches that worked to contribute money for the Muscular Dystrophy Association in calendar year 2014.

In addition to being cited in *The Postal Record*, the branches that win their categories are celebrated by an opportunity to attend a special

function designated by President Rolando.

The following is a listing of all branches we are aware of that have made a contribution to our efforts to provide help and hope to families affected by muscular dystrophy. Our total for 2014 was \$1,148,714. Congratulations to all branches that helped, and especially to those that won their category!

Note: If the numbers you see listed are inaccurate for your branch, please contact me at williamsj@nalc.org as soon as possible.
