

LETTER CARRIER POLITICAL FUND

EACH DONATION MATTERS

Below are the donors to the union's PAC in 2015 sorted by state and branch, all in one list. Each state is shown with the percentage of NALC members from that state who donated and the per capita (average) donation of those carriers, followed by each branch with the same information and each individual donor with the total amount given last year. Any group donations collected at special events are listed at the end of the branch list.

The individual donations listed include automatic contributions made by members who voluntarily authorize a deduction of a few dollars to go directly to the Political Fund each pay period, automatic monthly donations from retired members' annuities, automatic regular withdrawals from members' bank accounts and one-time donations. Automatic donations make up the bulk of support for the PAC, and are the best way to give—it's easy for donors and it provides a steady, reli-

able source of support for the Political Fund.

If you aren't already a supporter of the Letter Carrier Political Fund, please go to nalc.org/government-affairs/political-activity to learn how to set up contributions or use one of the forms starting on page 83.

"Our heartfelt thanks go out to all the supporters of our political program in 2015," NALC President Fredric Rolando said. "I urge everyone to pitch in so we can have an even bigger year in 2016."
