

Help us make MDA records as accurate as possible

Assistant to the President
Geneva Kubal

In December, branches received a letter from me that documented Muscular Dystrophy Association fundraising activity for that branch. If your branch did not get a letter and had MDA activity, I need to hear from you so we can resolve any missed fundraising your branch had prior to the publication of the 2016 MDA Honor Roll. This information is used to identify what level your branch will be for the reporting period. As promised last month, below you will see the bronze-level branches for 2015.

Help me make this information as accurate as possible. Sometimes the accuracy of the donation comes into question because the branch is unaware that MDA has taken expenses from the funds turned over to MDA after the event. For example,

prizes can have associated expenses with them. Please be aware of this and have a conversation with MDA about any costs associated so you can make a choice to accept the incentives or make other arrangements to reduce costs before the fact instead of after.

If your branch is planning an activity, please let me know well in advance. We will use the “Deliver the Cure” Facebook page to promote the event. Once we know when this event is, NALC has MDA T-shirts that we will make available to your volunteers.

Requests will be handled on a first-come, first-served basis until the supply is exhausted. Please call me at 202-756-7403 for details about this incentive.

NALC branches have been thinking outside the box for their MDA fundraisers. Chicago Branch 11 (top) recently held a “Roaring ’20s”-themed event, while Dayton, OH Branch 182 (above) held a paint night to deliver the cure.

“If your branch is planning an activity, please let me know well in advance.”

MDA may have to pay the bowling alley for the use of the facility, but the cost of shoe rental is donated. In this example, MDA takes the costs out of the proceeds a branch has turned in. Incentives like T-shirts, water bottles and small
