

Still time to contribute through CFC

Open Season for the Combined Federal Campaign (CFC), the federal workplace charitable giving program, runs through Jan. 11, 2019.

As federal employees, letter carriers can participate in the CFC by making charitable donations via deductions from our paychecks. Pledges made during the campaign season support eligible non-profit organizations chosen by the donor. Carriers can select what group they want to support from a list of more than 2,000 eligible charities, and an amount of their choosing will be deducted from their paychecks each pay period and automatically sent to each charity.

NALC President Fredric Rolando urged letter carriers to give to their preferred causes through CFC. “The combined effort of letter carriers and other federal employees makes a huge

difference to the charities that support our communities each year,” he said.

NALC is directly involved in three such charities:

The **Postal Employees’ Relief Fund (PERF)** provides financial support to active and retired postal employees whose primary residence has been completely destroyed or left uninhabitable by a major natural disaster or an isolated house fire. The charity is run by the four postal employee unions and three management organizations, whose members support PERF through voluntary donations. Information and applications for PERF assistance can be found at postalrelief.com.

The **Muscular Dystrophy Association (MDA)** is NALC’s only official charity. It is the world’s leading non-profit health organization sponsoring research into the causes of, and treatments for, neuromuscular diseases.

MDA research grants support about 150 research projects worldwide, as well as camps and activities for children who have one of these diseases. For more information, go to mdausa.org.

United Way Worldwide is the leadership and support organization for the network of nearly 1,800 community-based United Way organizations in 40 countries and territories. The United Way focuses on creating community-based and community-led solutions that strengthen the cornerstones for a good quality of life: education, financial stability and health. For more information, go to unitedway.org.

All letter carriers can participate in the CFC. The easiest way to sign up is through the CFC Online Donation System at opm.gov/showsomelovecfc.

Honor Roll

NALC recognizes its brothers and sisters for their long-term membership

NALC members who have completed 50 years of membership in NALC are awarded a Life Membership Gold Card that entitles them to all privileges of membership in NALC without payment of dues. To receive a gold card and 50-year lapel pin, the branch secretary must write to the NALC secretary-treasurer and request the award for the member. This is in accordance with Article 2, Section 5 (a) of the *NALC Constitution*.

Additionally, the national secretary-treasurer’s office handles

branch requests for lapel pins. Accordingly, the secretary-treasurer’s office can only provide suitable lapel pins “when receiving proper notification by the Branch Secretary” in the year when a member is to complete the following number of years as a member: 25 years, 30 years, 35 years, 40 years, 45 years, 50 years, 55 years, 60 years and 65 years. Special plaques are available for members who complete 70 years and 75 years. This is also per Article 2 of the *NALC Constitution*.

All requests must come from the branch secretary. Longtime members are encouraged to inform their branches when they reach a longevity benchmark.

Below is a list of those NALC members who have received an award in the past month:
