**T**he U.S. Letter Carriers Mutual Benefit Association (MBA) offers many products to NALC members (career carriers, retired carriers and city carrier assistants). One is our Hospital Plus plan. Hospital Plus provides cash when you need it most—when you’re confined to a hospital. Hospital Plus will provide you with up to \$100 per day in daily cash benefits. These benefits begin the first day of your hospital stay and last up to one full year. They are not subject to federal income tax. Hospital Plus is not health insurance; it is a hospital confinement policy. The benefits of Hospital Plus minimize the impact of non-medical expenses on a family’s budget and help close

the gap between health insurance coverage and the cost of a hospital stay. Hospital Plus does not cover time spent in a skilled nursing facility (SNF).

**Hospital Plus is designed to help NALC members pay** for things that major medical insurance won’t cover. Those things may have nothing to do with hospital services, such as:

- Private transportation to and from the hospital, including gasoline and parking
- Extra groceries and supplies for visiting family
- Meals while visiting the hospital
- Books, games and magazines
- Entertainment and domestic help

With Hospital Plus, you choose the amount of coverage needed based on your financial situation: either \$100, \$75, \$50 or \$30 per day. You also can insure your spouse and eligible children. A spouse’s coverage amount is the same as the member’s coverage amount. Children’s coverage is \$60, \$45, \$30 or \$18 per day. NALC members may choose to insure the member only; the member and his or her spouse; the member and his or her children; or the member, spouse and children.

Your premium is based on the NALC member’s age when the Hospital Plus coverage is purchased. If you purchase it for your spouse and/or children, the premium still is based on the member’s age at the time of purchase. All of your children are covered by the same premium, regardless of the size of your family. Children must be the insured’s unmarried legal children who are under 19 years of age and living with the insured, or between 19 and 23 years of age and a full-time student.

There is no age limit for members to purchase Hospital Plus. There is no medical exam when purchasing this policy and you cannot be turned down for health reasons.

**Hospital Plus premiums start as low as just \$1.60 bi-weekly** (one member, age 18 to 24, \$30 per day benefit). Premiums may be paid through a convenient payroll deduction or an electronic funds transfer or paid by check monthly or annually. Members who want to pay their premiums monthly or annually can call the MBA office for help in calculating their premium amounts. Members are covered from the first premium payment.

To receive benefits, members must complete and sign a one-page claim form, attach a copy of the hospital’s itemized bill, and mail them to the MBA. Benefits will be paid based on a 24-hour hospital stay, up to 365 days or as much as \$36,500, if a \$100-per-day benefit is chosen.

The Hospital Plus policy does not pay benefits for a pre-existing condition until the covered person has gone without further medical advice or treatment for 12 consecutive months, or one year from the effective date of the covered person, whichever is earliest. A pre-existing condition is a condition for which a covered person has received medical advice or treatment during the 12 months before coverage became effective. Benefits apply to hospitalization due to pregnancy, provided the policy was in effect before the start of the pregnancy. With family coverage, a newborn would be included on the 16th day following the birth.
