

Membership dues and collection of per capita tax roster

Nicole Rhine

Branch secretaries often contact the NALC Membership Department with questions regarding the dues payments of members who are receiving payments through the Office of Workers' Compensation (OWCP) and who may or may not have retired from the Postal Service.

Active members on OWCP who remain on the branch's dues roster in a no dues deduction (NO-DED) status because they have not been separated from the Postal Service: NALC Headquarters deducts the national per capita and state dues from the branch's reimbursement check for NO-DED members; Headquarters does not deduct local dues. The branch may seek full dues payment

(national, state and local dues) from NO-DED members, or it may choose to seek repayment from the member for only the national and state portion of the dues. Some branches choose to forgive the entire dues amount. (The branch absorbs the cost of the national and state per capita.) Once the branch selects a policy, all members under the same circumstances must be treated equally. (See Article 7, Section 3 (b) of the *Constitution for the Government of Subordinate and Federal Branches*.)

Members on OWCP who are separated from the Postal Service: These members will show up on the branch's bi-weekly dues roster as separated from USPS employment (SEP). Members listed as SEP because they are on OWCP have the option of retaining their membership in NALC. These members will fall into one of two categories:

- 1. If they have not yet retired, they must pay active letter carrier dues until they apply and obtain retirement status from the Office of Personnel Management (OPM).** The branch should notify the Membership Department in writing that the member intends to continue membership in NALC. After notification, the Membership Department will list the member on the semi-annual per capita tax call, which bills branches semi-annually for national and state dues for members who are not on the dues-withholding roster. It is the branch's responsibility to collect dues—national, state and local (unless the branch has a policy under which some or all of the dues will be waived)—remitting the national and state portion to NALC Headquarters.
- 2. Members who retire and receive wage-loss compensation from OWCP in lieu of OPM retirement benefits**

also must be placed on the semi-annual per capita tax call as the Department of Labor does not allow for dues deductions from OWCP payments. The branch must notify the Membership Department in writing that the member does not receive an annuity payment from OPM, but instead receives payments from OWCP, and that the member should appear on the semi-annual per capita tax roster.

When a branch has a member who has failed to pay dues and the branch seeks to discontinue the member, the branch secretary must notify my office in writing and include evidence that the branch has attempted to bill the member for the dues owed prior to requesting removal from the rolls. (See Article 7, Section 4 of the *Constitution for the Government of Subordinate and Federal Branches* for more information.)

Important: Branch secretaries are reminded that the completion of the semi-annual branch per capita tax roster is the duty of the branch. Any semi-annual branch per capita tax roster returned to the Membership Department that is not in final form may result in the branch being assessed \$100 for the work to be done of investigating and calculating the per capita tax left unpaid.

“Branch secretaries are reminded that the completion of the semi-annual branch per capita tax roster is the duty of the branch.”

Instructions regarding completion of the roster are included with each semi-annual per capita tax call. However, if you have questions, please contact the Membership Department for assistance. As a reminder, per capita tax calls are sent each July and December.

Note: Only branches with direct-pay members receive a semi-annual per capita tax call.

Reminder: Due to the COVID-19 pandemic, the NALC Membership Department has been unable to mail out the monthly statements and membership information to state associations since April. The information for 2020 was made available in May only to state presidents, state secretaries and state treasurers by selecting the “State Dues Roster” button in the Members Only portal.

Branch presidents, secretaries and treasurers were provided access to their branch bi-weekly dues rosters through the Members Only portal in April. NALC Headquarters also is working to provide state and branch retiree dues information through the Members Only portal.
