Doherty & Donelon Scholarships awarded
Six children of NALC members to receive funding for college

Six children of NALC members will receive NALC memorial scholarships in recognition of their schoolwork and community involvement.

One student from each of the five geographical regions was awarded $4,000 apiece from the William C. Doherty Scholarship Fund, and a sixth student will receive $1,000 from the John T. Donelon Scholarship. All six scholarships are renewable for three additional years.

NALC created the Doherty scholarship in 1962 in honor of NALC’s president from 1941 to 1962. The winners this year, along with their letter carrier parent, are:

**Eastern Region**: Andrea A. Zamudio
Parent: Emma Alvarez Panduro
Franklin, NC Branch 4244

*Quote:* “My parents have challenged me and encouraged me to embrace my culture. When I was younger, I would beg my parents to speak English around my friends, and I would hide in another room if I had to speak Spanish on the phone while around other people. ... Part of embracing who I am came from visiting Peru with my parents, where I heard their stories about their lives there, and watched them interact with their family members. ... My parents lead me to being a proud Latina who is overjoyed to speak Spanish, enjoys cooking up delicious Peruvian recipes with my mom, and jams out to Latin music with my dad. ... They recently became American Citizens, and I was their number one cheerleader throughout the whole naturalization process. It has taken them years of struggle, hardship, and perseverance to get where they are today, and because of them and their American Dream, I know that I can accomplish anything I set my mind to through hard work, persistence, and always looking to family for support.”

**Central Region**: Emilie Hammell
Parent: Steven Hammell
Fort Wayne, IN Branch 116

*Quote:* “In 15 to 25 years, my biggest hope is that I will be able to give, not only my time but also my resources to help people in need. Specifically, I hope to use my experiences as an international adoptee to help other children and families impacted by the adoption and foster care system. My adoption has given me the opportunity to learn and develop in ways that may not have been available to me if I had stayed in my native country.”

**Northeast Region**: Lily Kutner
Parent: Karl Kutner
Long Island Merged, NY Branch 6000

*Quote:* “Singing has brought me everything, it is what I love to do and what I want to do for the rest of my life. This is why I want to become a music educator, so I can create this love of music for a younger generation.”

**Southern Region**: Josie Peebles
Parent: Jimmy Peebles
Swainsboro, GA Branch 3370

*Quote:* “The two people who have been the most influential in my life have been my mom and dad. My dad has been a letter carrier for over 30 years, and even after all this time, he still loves his job. I admire the relationships that he has created with the people on his route after 30 years of delivering their mail. Meanwhile, my mom has been a nurse for over 20 years and she has instilled in me a love for the healthcare field. Most of all, my parents had me and my younger twin sisters, and they made our home a place filled with love. After 22 years of marriage and three daughters, they are still just as in love with us and each other. They have taught me happiness, responsibility, and trust, and they are living evidence that happy, whole families are not extinct in America today, and they won’t be any time soon.”

**Western Region**: Hannah Chester
Parent: Garry Chester
Salt Lake City, UT Branch 111

*Quote:* “When I was younger, I saw my grandfather’s battle with Alzheimer’s disease. From that point on, I have grown fascinated with the brain and its diseases. ... Although Alzheimer’s research was my initial interest, as I have learned more about the brain, I have become increasingly intrigued by mental illnesses. It is estimated that nearly 20 percent of American adults will struggle with a mental illness in any given year. However, most go untreated. ... Through my future research on the human brain, I want to provide the medical community with a greater understanding of mental illnesses and how they impact brain chemistry and functioning, in order to develop better treatment for these diseases.”

A scholarship honoring the late John T. Donelon, longtime assistant to three NALC national presidents, was announced in 2003. Donelon’s wife, Louise, established the Donelon Scholarship as a bequest in her will.

**The winner is**: Isabella Tabor
Parent: Jericho Tabor
Minneapolis, MN Branch 9

*Quote:* “Surprisingly one of the most influential people in my life is so not because of a positive experience. My sewing teacher in high school was actually one of my biggest supporters in my dream to become a fashion designer until she learned I was disabled.
founding of the William C. Doherty Scholarship program and the 16th anniversary of the John T. Donelon Scholarship, we processed 648 applications, in contrast to 620 applications in 2019.

For purposes of this scholarship program, the country is divided into five geographic regions. Under the procedure, eliminations were made to reach the allowed figure of five scholarships—one to each of the five regions. At present, each Doherty scholarship is valued at $16,000, which represents $4,000 annually, for four consecutive years. The John T. Donelon Scholarship provides for one scholarship of $1,000 annually, for four consecutive years.

Our program has aided hundreds of children of letter carriers in their pursuit of higher education. We strongly urge the parents of high school seniors to watch the July through December 2020 issues of The Postal Record for 2021 scholarship applications, which will be printed only in those issues. They are also available on the website, nalc.org.

It is essential that applications be complete and that all submissions be made in timely fashion. The committee emphasizes the necessity of answering all questions on the required forms and providing all the information requested prior to the deadline. We would like to stress the importance of applicants’ demonstrating diversity in extracurricular activities, sports, leadership, elective office and work experience, as well as scholastic excellence. Applicants are rated on all of the above areas.

The committee appreciates the co-operation of the various branches and state associations and encourages them to continue to publicize the scholarship program. We appreciate the contributions from our members who generously support the scholarship program. The value of a college education to our upcoming young men and women is incalculable. With the continuing increase in the cost of college, we urge each of our members to make a contribution to the Doherty Scholarship fund. Any contribution will help to keep this worthy program strong and effective as we can make it. (The Donelon scholarship is funded by a separate trust fund.)

The participation of President Frederic Rolando, Secretary-Treasurer Nicole Rhine and other resident officers and staff was an invaluable contribution to this committee’s work.

Our thanks to this year’s judges—Dr. Georgia Booker, retired Director, Office of Guidance Counseling Services, District of Columbia Public Schools; James B. Massey Jr., Director, Office of Undergraduate Admissions, University of Maryland; and Dale E. Bittinger, Assistant Vice Provost for Undergraduate Admissions, Orientation and School Partnerships at University of Maryland, Baltimore County—who assisted in performing the assessment of applicants and making the final selections. We wish to express our deepest appreciation to these very outstanding educators for their assistance to the NALC Scholarship Committee and the NALC.

As it has for the past decade, the committee accepted ACT test scores along with SAT scores. The scholarship committee used information provided by Dr. Jeff Schiel of the Statistical Research Department, Research Division, ACT Regional Office, to correlate the ACT and SAT scores to provide a fair evaluation for the scholarship selections.

We sincerely express our appreciation for this opportunity to serve the NALC membership in administering this program.” PR
