

National convention updates

Deadlines for the 74th Biennial National Convention Aug. 3-7 in Los Angeles, CA, are approaching.

Delegate eligibility lists for the convention were mailed in February. The lists must be completed and returned to the office of Secretary-Treasurer Nicole Rhine at NALC Headquarters no later than June 3 for branch representatives to be registered as delegates to the convention.

All proposed amendments to the *NALC Constitution* to be submitted for consideration at the convention must be received by Rhine's office by June 3 as well. That date is 60 days in advance of the convention, as prescribed by the *NALC Constitution*. Proposed amendments will appear in July's *Postal Record* for the membership to review.

Resolutions to be considered by delegates also must be received by the June 3 deadline to be printed in the *Resolutions and Amendments* book provided to delegates. Resolutions received after June 3 still may be considered at the convention.

Branches wishing to sell items in the designated branch sales area during the convention must contact Rhine's office to secure guidelines and forms. The completed forms must be returned to Headquarters by June 3 as well.
